Echelon Oval is designed around the shape of the human body, allowing for an optimal patient experience with outstanding comfort, space, and efficiency. The 74cm oval bore is the widest 1.5T MR system available, making it the ideal solution for all the areas you need it most: greater patient accessibility, improved workflow, broad range of diagnostic imaging, and increased cost efficiencies. Every patient, every time.

See the many clinical benefits of Oval.
Welcome to Atlanta and our 2013 Radiology & Imaging Conference! We are so glad that you are able to join us. Special thanks to Hitachi, our title sponsor. Their continued support is invaluable to the success of this event.

We are excited to introduce a new feature for our conference: Supplier Showcases open on Monday only from 12:00 noon – 4:00 pm in Salon West. This new opportunity will give a few select supplier companies the chance to share their products, services and technology before the Reverse EXPO. Stop by to check it out, and if you are interested in having a showcase of your own next year, see us at the HCP table in the expo hall to let us know.

As always, this conference features two Reverse EXPO sessions, sponsored by Atlantis Worldwide, to help build relationships between providers and suppliers. During the Reverse EXPO sessions, the Radiology and Imaging Center Directors along with GPO Executives will host the booths while the suppliers walk through the expo hall. This unique event is a fun change of pace from traditional expo formats and provides the best networking opportunity for both providers and suppliers.

Over the next few days, our conference will provide you with numerous networking opportunities as well as educational sessions led by some of the top healthcare executives and speakers in the nation. Topics include “Thriving in the Affordability Economy,” “Hurricane Sandy: Disaster Preparedness” and “Generation Y.” We are also proud to present Don Hutson as our keynote speaker for an entertaining session entitled “Leadership DOES Make the Difference!”

We hope you find this conference to be informative and useful in helping you make the connection. If you need assistance at any time, please stop by the registration desk and we will be happy to help however we can.

Sincerely,

Matt Ehrlich
Senior Account Manager

COMING SOON...

HEALTH CONNECT PARTNERS
HOSPITAL MATERIALS
MANAGEMENT & SUPPLY
CONFERENCE 2014

OCTOBER 8 - 10, 2014 • CHICAGO, IL
JASON GREEN
Chief Sales Officer
Hilton Head, SC

Jason Green holds the post of Chief Sales Officer for Health Connect Partners. He has extensive experience in the healthcare industry, working in both large corporate environments and small start-up healthcare organizations. Jason’s ability to relate to customers and colleagues has allowed him to foster many long-term relationships throughout the healthcare industry.

Jason and his wife Dana have two children, Max (10) and Ella Kate (3), who keep him dedicated to a busy social calendar. Ella Kate is involved with soccer, gymnastics, dance recitals and anything that is music related. She loves to sing and can often be found with a microphone in her hand and dancing to the newest songs. Max is dedicated to the game of golf. When not practicing on his short game, you can often find the Green family wagon trucking down I-95, heading to the nearest golf tournament in NC, SC or FL.

During the break in activity, Jason enjoys playing golf, snow skiing and boating. Jason took the thrill of his life down an ice track on a bobsled during a recent trip to Utah Olympic Park this past year. There is something to be said for someone who sits in a “metal cart” going 70 MPH and pulling 5 G’s down 5500 feet of track!

Jason is a graduate of Ohio University and supports the Ohio State Buckeyes, Pittsburgh Steelers and Boston Red Sox and is a true Pittsburgh Penguins fan.

DAVID MASON
Chief Executive Officer
Lebanon, TN

David Mason is Co-Founder and CEO of HCP. Prior to founding HCP, he was Founder and President of BCX Technology, Inc., a software automation company specializing in supply automation for acute care hospitals. He led the BCX team for eight years and sold the company in 2003 to Omnicell.

David and his wife Tammy have two wonderful children, Alexis (19) and Madison (12). An avid boater, he spends his time boating with his family, diving, lobster hunting, running, swimming and cycling. This winter David got to mark something off his bucket list when he rode a bobsled on the 2002 Olympic Bobsled Track where he reached speeds of about 80 mph, and experienced up to 5 G’s of force. This summer David will be doing something just as exciting: walking his little girl down the aisle. Alexis will be getting married in Nashville, TN to Zach Morgan, and David and Tammy could not be more excited to welcome him into their family. David is a graduate of Nashville State Technical Institute, Chairman of the Board for BCX Foundation (a nonprofit educational foundation for children), a Black Belt in Wado Ryu Karate and an Eagle Scout.

NELSON HENDRY
President
Palm Harbor, FL

Nelson Hendry, Co-Founder and President, works with the Providers and sales team at HCP. Prior to founding HCP, he served as Regional Vice President of Corporate Sales for Omnicell, working with large IDN Health Systems and the major GPOs. He was awarded the 2005 Salesman of the Year Award for Omnicell’s Specialty Sales. Nelson graduated with a Bachelor of Science degree from Florida State University in 1981.

Nelson and his wife Evelyn have three boys. Joseph (25) is a video game artist in the X-Box Division at Microsoft and enjoys weight lifting in his spare time. Justin (23) recently graduated from M.I.T. in Cambridge, MA with a degree in Mechanical Engineering. He is now employed in a Business Development with Texas based Healthcare Company. Taylor (10) is about to complete the fourth grade in the gifted program at Brooker Creek Elementary and loves playing flag football, video games and soccer.

The CHG-MERIDIAN Group is today one of the world’s leading independent leasing companies specializing in IT, Industry and Healthcare Technologies. CHG-MERIDIAN provides full service technology leasing and technology services to Radiology and Healthcare Imaging users.

Too many excel spreadsheets, emails and quotations to handle? Then take advantage of our ongoing transaction support and state-of-the-art web based technologies, such as TESMA® Online – a highly efficient asset management system. It enables comprehensive reporting and an always up to date reporting of your entire inventory.

With over 30 years of providing technology capital and related technology services, CHG-MERIDIAN has a truly unique asset acquisition to disposition value proposition for you.

For more information please contact David Kline @ 603.964.2292 or david.kline@chg-meridian.com.
If you missed out on being part of the supplier showcase in Atlanta, you have a chance to expand your presence at the Radiology & Imaging Conference in St. Louis, April 28 - 30, 2014. Limited number of 10’x10’ showcases are available from 12:00 pm - 4:00 pm on the first day of the conference to showcase your company.

Contact Matt Ehrlich for more information about this exciting new opportunity: 615-449-6234.
Monday Night following our Welcome Reception

7:30 PM - ...

BE SURE TO VISIT THE PRESIDENTIAL SUITE
28TH FLOOR • ROOM #2808
HOSTED BY OUR TITLE SPONSOR

PROVIDERS:

Don’t forget to take your hospitality suite guide from your registration packet and start your evening in the suite that matches the logo on the front. If you have a sticker from all hospitality suites, you will be entered in a drawing for a GoPro Hero 3.

DINNER & ENTERTAINMENT

JOIN US AT THE WORLD OF COCA-COLA

Come prepared to eat & **drink the night away**!

On Tuesday night, join us at the World of Coca-Cola, the only place where you can truly explore the fascinating story of the world’s best-known beverage brand. The World of Coca-Cola is the home of the 125-year-old secret formula for Coca-Cola and features more than 1,200 artifacts from around the world. Around every corner you’ll experience something new and inviting.

You can even give the 7-foot Coca-Cola Polar Bear a big hug! And the tasting experience, a World of Coca-Cola favorite, will give you a refreshing opportunity to sample over 60 different beverages from around the world. Come prepared to eat, drink, explore and dance the night away.

Shuttles will run continuously between the Hilton Atlanta and The World of Coca-Cola from 5:45 pm - 10:00 pm.

pdm Healthcare

Premium Sponsor of each 2013 HCP Conference
THANK YOU PDM HEALTHCARE

SPECIAL THANKS TO PDM HEALTHCARE FOR THEIR PREMIUM SPONSORSHIP OF EACH 2013 HCP CONFERENCE
**LEARNING OBJECTIVES:**

- How to differentiate your department or center in a crowded marketplace for better customer loyalty. Also, understand the power and skills of performing customer service miracles!
- Understand the latest Do’s and Don’ts for leadership excellence and best morale in today’s business and healthcare environment
- Learn the skills of performance coaching for enhancing the contribution and competencies of each of your pharmacy team members
- Learn the four styles and how to treat and lead people for improved results

---

**OPENING REMARKS AND KEYNOTE ADDRESS**

8:00 AM - 9:30 AM • Grand Ballroom
1.5 credit hours

**Keynote Speaker: Don Hutson**

Leadership DOES Make the Difference! We can no longer excel by doing what we have always done. Don will show you valuable tips on how to ensure positive team-member response to organizational change. In addition, there will be ideas on how you can inspire your reports to embrace an attitude of excellence and be more motivated for progress. True leaders have committed followers! Learn the power of the authorship principle to engage your people in your vision. The best leaders have a convincing winwin approach to new ideas and compelling changes.

Don Hutson worked his way through the University of Memphis, graduating with a degree in Sales. After becoming the #1 salesperson in a national training organization he established his own training firm.

Don is CEO of U.S. Learning, Chairman of Executive Books and the author of twelve books, including *The Sale, The Contented Achiever* and his two Wall Street Journal and New York Times best sellers, *The One Minute Entrepreneur and The One Minute Negotiator*. Don is a past president of the National Speakers Association and has received its Cavett Award. He has also been inducted into NSA’s Speakers Hall of Fame.
EDUCATIONAL SESSION: ROLE OF RADIOLOGY IN CARE CONTINUUM

9:45 AM - 11:45 AM • Grand Ballroom
2 credit hours

Speaker: Fred Bayon
Managing Director
The Advisory Board Company

Fred Bayon is a Managing Director who also operates as the national spokesperson for the Advisory Board Company, a for-profit, publicly-traded research firm serving more than 2,600 of America’s leading hospitals and health systems. Mr. Bayon presents the firm’s findings on frontier strategic and clinical best practices. His areas of focus include general hospital administration and management, health system economics and health policy. He is a frequent lecturer for the Flagship Health Care Advisory Board program in addition to the Philanthropy Leadership Council and Cardiovascular Roundtable. He has presented in 45 states and made over 500 presentations on behalf of the company and its members.

Before joining the Advisory Board in 2005, Mr. Bayon received his Bachelor of Arts from Dartmouth College and went on to earn his Masters Degree in Education from Columbia University. When he’s not traveling the country, he enjoys spending time in New England with his family and following the Boston Red Sox.

LEARNING OBJECTIVES:
• Hardwiring interdepartmental care collaboration
• Better coordination of patient care
• Promoting imaging exams that play a role in downstream care costs

PLEASE NOTE:
BE SURE TO HAVE YOUR NAME BADGE WITH YOU AND SCANNED BEFORE EACH EDUCATIONAL SESSION.
CE CREDIT WILL BE AWARDED BASED ON BADGE SCANS PER DAY.
EDUCATIONAL SESSION: HURRICANE SANDY: DISASTER PREPAREDNESS

1:00 PM - 2:30 PM • Grand Ballroom
1.5 credit hours

Speaker: Mark Pollard
Vice President
Hospital Operations in the Professional Services at NYU Langone Medical Center

Mark Pollard is currently serving as the Vice President for Hospital Operations in the Professional Services at NYU Langone Medical Center in Manhattan. In this role, he is responsible for the strategic and operational oversight of the medical center’s laboratories, pathology services, imaging services, pharmacy operations and occupational health services. Prior to joining NYU, Mark served in a variety of administrative and leadership roles at MedStar Georgetown University Hospital in Washington, DC, including the role of Vice President for Professional and Surgical Services. Mark received his Masters Degree in Health Services Administration from the School of Public Health at the University of Michigan in Ann Arbor, and completed a fellowship in Hospital Administration at the University of North Carolina Hospitals in Chapel Hill, NC. Mark was an adjunct faculty member at Georgetown University for several years where he taught Healthcare Finance in the graduate program for Health Administration and served on the program’s advisory board and student mentoring programs.

LEARNING OBJECTIVES:
• Understand ongoing evacuation preparedness efforts and planning at NYULMC
• Understand decision making process that led to decision to evacuate (priorities and strategy for evacuation)
• Understand recovery efforts to reopen NYULMC hospitals

Radiologic Technologists: CE has been applied for through ASRT for 6 hours of CE credit. You must attend all sessions each day to get any credit for that day.
EDUCATIONAL SESSION: GENERATION Y

8:00 AM - 9:00 AM • Grand Ballroom
1 credit hours

Speaker: Eric Chester

Eric Chester is America’s premier expert on the emerging workforce. As the author of the bestselling books *Employing Generation Why* and *Getting Them to Give a Damn*, Eric frequently appears on national media (i.e. Forbes, Fox News, Entrepreneur.com, etc.) to provide insight to business leaders about the attitudes, values, and work habits of teens and young adults in their transition from school to career. His latest book, *Reviving Work Ethic: A Leader’s Guide to Ending Entitlement and Restoring Pride in the Emerging Workforce*, is the first business book published on the topic of work ethic since 1904 and provides the solutions for the work ethic deficiency employers in every industry are facing.

In addition to his writings, Eric Chester is an award-winning keynote speaker who’s presented more than 2,000 paid speeches since 1987 for audiences all over the world. In 2011, Chester founded the Center for Work Ethic Development, an organization dedicated to helping leading companies, educational institutions, and non-profit organizations improve the work ethic, productivity, performance and service of today’s rapidly changing workforce.

LEARNING OBJECTIVES:

- Discover the 7 Indisputable Core Values that Radiology Directors and Imaging Center Executives expect from every worker, and why they are getting harder to find but are essential to develop
- Find out how to promote a workplace culture rooted in reliability, professionalism, integrity, & respect
- Learn how to be an ‘up and over’ leader, moving employees from “Idle,” “Lucky,” and “Cheating” behaviors into the “Valued” Quadrant
- Improve patient care in your department to break free from a “vending machine mentality” by learning how to instill an attitude of gratitude across your emerging workforce
Over the past year, this committee volunteered their valuable time to help us create an outstanding agenda. We appreciate their energy and want to recognize this esteemed group for all their hard work. Without their expertise, this event would not have been possible.

**RADIOLOGY & IMAGING BOARD CHAIR:**

Kathleen Holton, *BSRT*
Director, Medical Imaging
St. Vincent Indianapolis Hospital
Indianapolis, IN

David Berry, *MS, RT(R)*
Director of Radiology
Georgia Regents University • Augusta, GA

Neil Burgess
President & CEO
MMR Holdings, Inc. • Glen Allen, VA

Gerard Durney, *MBA*
Director of Operations
Overlook Medical Center • Summit, NJ

David Hellams
Director, Radiology Services
Greenville Health System • Greenville, SC

Brian Phelan
Vice President & General Manager
RADNET, Inc. (238 Locations) • Los Angeles, CA

Rick Phillips, *BS, RT(R)(MR)(CT), ARRT, CRA*
Vice President, Supply Chain and Clinical Services
LifePoint Hospitals, Inc. • Brentwood, TN

Kathy Tabor McEwan
Executive Director of Imaging
Boca Raton Regional Hospital • Boca Raton, FL

Ronald Zink
Director, Clinical Services
Temple University Hospital • Philadelphia, PA
In the Reverse EXPO sessions, Radiology & Imaging Center Directors along with GPO Executives host exhibit tables while suppliers walk through the hall. This unique event is a fun change of pace from traditional expo formats and provides the best networking opportunity for both providers and suppliers.

On the next page, you will find a map outlining the location of each booth in the hall. Please refer to the list of specific booth assignments (pages 23 - 30) to locate each provider executive during the Reverse EXPO.

GALLERIA HALL

Session 1: Tuesday, April 30, 3:00 PM - 5:00 PM
Session 2: Wednesday, May 1, 9:30 AM - 11:30 AM

Your Vision,  
our Technology...  

...and our award winning customer support  

INFINITT PACS  
Ranked #1 in KLAS four years in a row, 2009-2012, PACS (Community)  

With all the changes in healthcare today, you want a PACS Vendor you can rely on to keep your system running smoothly and to keep you ahead of the curve in terms of technology advancement and government regulations. INFINITT offers solutions for Meaningful Use, Dose Monitoring, Mobile Viewing, Vendor Neutral Archiving, Virtualized Server environments, and more. Plus the best integration support in the industry.

Find out why INFINITT PACS ranks #1 in KLAS over and over again, and why 100% of customers surveyed said they would buy from INFINITT again.

“…we have been using INFINITT for our PACS and RIS for about two years. We have found INFINITT to be an amazing partner. We have gotten a lot of support and education from them.” -Radiologist

Get more from your CT scanner

Osteoporosis bone density screening by QCT

- More cost effective than DXA machines
- Requires only 5 min of CT tech time
- Reimbursed by Medicare
- Maximize the use of your CT scanner

DXA or QCT?

The Mindways QCT system costs around half as much as an entry-level DXA machine. Unlike DXA, a dedicated room and dedicated technician are not required and there are no on-going hardware replacement costs. Medicare reimbursement is around $90 for QCT and around $51 for DXA.

DON’T WASTE ANY MORE TIME, CONTACT MINDWAYS TODAY

Call us toll-free on 877-MINDWAYS

- Latest Dose Reduction Features*
- Faster Workflow Tools
- Easier Access—75cm aperture
- Advanced Capabilities—Cardiac with lateral centering table
- Greater Value—Unique customer support benefits

*In clinical use, dose saving features may reduce CT patient dose depending on the clinical task, patient size, anatomical location and clinical practices employed. Consultation with a radiologist and physicist are recommended to determine the appropriate dose needed to obtain diagnostic image quality for a particular clinical task.

Learn more about SCENARIA Dose Reduction Features.
